

Scranton Canoe Club

Commodore Corner

The 2014 season is now officially underway! Clubhouse activity continues to be very busy with club events and private parties. The New Member/Past Commodore Dinner Dance was very well attended, and I would like to personally thank all who joined the fun. It was a great evening of dinner and dancing.

I would like to bring attention to the club's new outdoor lounge area, with fire pit. The area is stocked with firewood, and just waiting to be used! I would like to thank John Grow for coordinating the set-up of this area. I can foresee this area being used all summer long.

Please keep in mind some of the exciting events happening at the club during June. Entertainment events include the Member/Guest Dinner Dance on June 14 and Candlelight dinner on June 27. All members are

encouraged to attend these exciting events.

June golf events include the club's signature men's tournament, the 3-Day Member/Guest. Other exciting golf events in June: Parent/Child golf tournament on June 22, and the Women's Member/Guest golf tournament on Saturday, June 28.

Finally, the weather has started to transition into the summer season. Please remember to call ahead for dinner reservations on the porch, and enjoy an evening dining on the lake.

See you at the club!!

Sincerely,

Jim Bonczek

Please take care of your golf course

Every little bit helps when it comes to keeping our golf course clean.

If your last name begins with the letter assigned to a specific hole, you have voluntarily and formally adopted that hole.

When playing the course please take some extra time on your hole to pick up litter, repair ball marks, and fix divots to keep the hole looking great.

Thank you in advance!

Former Greenskeeper about to become the Masters champion

It's hard to believe it's June. We have been busy preparing for our three day member guest tournament on June 13th-15th. I hope you are enjoying the new look on #2, 3, 5, 7 and 9 tee boxes. We have created a beautiful location for our benches, ball washers and trash cans. I am planning to do the same on the remaining holes next year. I hope to add hole number and yardage signs to each location.

We have also created a new flower garden near the gazebo. I hope everyone enjoys its beauty. The walkway in the middle of the two flower gardens is NOT for gas carts. Please do not attempt to drive through it.

Lately, there have been several unfilled divots on our tees. It is your responsibility to fill them with the divot mix provided. Also, please return your golf cart to the cart paths whenever they are available. The golf carts are not to be driven on tees, collars or greens!

I hope you are enjoying the golf course this year!
